

Learn Genetics - Outcome of a Mutation

Instructions - go to the website <https://learn.genetics.utah.edu/content/basics/outcomes/>

- Choose **four** traits to look into.
- record the information from your research of each trait in the table 1.

Table 1 - Common mutations and their causes and effects.

<u>Trait</u>	<u>Protein Affected</u>	<u>Cause of Mutation</u>	<u>Example of occurrence in other species</u>	<u>Is mutation Advantageous, Deleterious, or Neutral?</u>
